**SCHEME OF DELEGATION**

**EFFECTIVE DATE: [SEPTEMBER 2024]**

**PART 2: GOVERNANCE PRINCIPLES: VISION AND VALUES**

## **GOVERNANCE PRINCIPLES: VISION AND VALUES**

### **1. Vision and Values**

- 1.1 [Trust to provide statement as to the unique vision of the Trust or link to appropriate page on the website.]

### **2. Catholic Ecclesiology and Principles for Effective Partnership**

- 2.1 The Trust is part of a family of Catholic schools that exist to further the Church's saving mission by educating its young people in accordance with the teachings of the One Teacher, Jesus Christ. In carrying out any functions on behalf of the Trust all Members, Trustees and those in any way involved in the business of the Trust and the Academies recognise the Bishop of Brentwood as the Chief Teacher and the focus of unity in the Diocese and will carry out those functions and responsibilities in full communion with him and in accord with the mind of the Catholic Church. Accordingly, the functions of the Trust and the Academies will be conducted in accordance with the following principles and observing the commitments set out in the Diocesan Memorandum of Understanding and the Diocesan Protocols.

### **3. Mutual Respect and Distinctiveness**

- 3.1 The Academies are equal partners within the Trust and at all times the partners will strive for consensus in decision making, recognising that each Academy has both strengths and weaknesses. Each Academy is unique and serves its community. The Trust will seek to preserve and protect each Academy's distinctiveness and will be respectful of each Academy's respective ethos and mission. The Academies will work collaboratively with each other, sharing resources, knowledge and best practice, to fulfil the Trust's mission, vision and values.

### **4. Transparency**

- 4.1 All those involved in the running and oversight of the Trust and the Academies will be open and honest in their dealings with each other, at all times acting in good faith and recognising the value of independence and separation in relation to decision making.

### **5. Subsidiarity and Earned Autonomy**

- 5.1 Decisions are to be taken at the level nearest to those affected by those decisions which is compatible with the principles of solidarity and support for the common good, avoiding unnecessary bureaucracy and aiming in so far as possible to make changes to established practices only where it can be demonstrated there is a reasonable need and in order to learn from experience or adapt to changing circumstances. The Trust adopts a policy of assumed autonomy which is continually earned and where governance responsibility is delegated appropriate decision-making authority will be given. The parameters of such authority will be clear and those to whom responsibility is given will be required to report to those who retain overall responsibility and accountability.

### **6. Solidarity**

- 6.1 All those with responsibility for the Trust and the Academies share a particular commitment to the mutual support of all Academies for whom the Trust is responsible, especially those that are in need of assistance at any particular time. It is acknowledged that smaller schools, particularly in rural areas, can be financially

vulnerable putting at risk continuity of Catholic education in an area and in consequence, the Trust's policies may prioritise funding support to those schools, either by levying reduced charges for centralised services or weighting resource support in favour of smaller schools.

## **7. The Common Good**

- 7.1 All recognise their responsibility towards the common good, not just of the Academies for whom the Trust is responsible and the wider Diocesan family of schools, but of all of the families and communities in the areas served by the Trust. The Trustees will ensure that common action and collaboration is conducted at the correct level and that the balance between subsidiarity and solidarity serves the common good in the most appropriate way.
